

Operation Mission Stipends

Some give by going. Others go by giving. You can help Catholic missionaries in far away East Africa and Eastern Europe by donating Mass stipends.

Missionary priests are like a 'spiritual marine-corps' - the few, the humble ... who labor in the Mystical Body, the Church, at the forefront of the spiritual warfare. Missionary, not mercenary, they risk all for Christ, winning Him souls, asking nothing for themselves.

These courageous priests, known to NCCL for years, work daily under dangerous, life-threatening conditions, amidst Muslims and fervent anti-Catholics, offering their labors also for your salvation. Among the poorest of the poor, they lack stable, reliable income to support themselves, let alone the basic material needs for those who depend on them.

Your generous donation to them will go a long way to help spread the Gospel and the Kingdom. NCCL sends to them 100% of the stipends collected. In turn, the priests offer the Holy Sacrifice according to one of the *traditional* Catholic Liturgies (holy Mass in the Ethiopian/Ge'ez, Constantinopolitan, or Roman rites) "for the intentions of the giver" - e.g. your loved ones, living and deceased.

To send your Mass stipends, please return this form with a donation payable to NCCL. Mark your gift "**Operation Mission Stipends**".
